PONY Baseball, Inc.

The Line Up

PONY Baseball is the administrative organization for a group of leagues providing baseball for players from 5 through 18 years of age. These are:

League	Age	Diamond	Pitching
Shetland	5 and 6	50 feet	—
Pinto	7 and 8	50 feet	—
Mustang	9 and 10	60 feet	44 feet
Bronco	11 and 12	70 feet	48 feet
Pony	13 and 14	80 feet	54 feet
Colt	15 and 16	90 feet	60 1/2 feet
Palomino	17 and 18	90 feet	60 1/2 feet

SHETLAND LEAGUE focuses totally on instruction of beginning players.

PINTO LEAGUE teaches the basic fundamentals of baseball. A batting tee is recommended, though pitching machines or adult or player pitchers may be used.

MUSTANG LEAGUE begins the players' training in the complete game of baseball. Tournament play is completed through world series level.

BRONCO LEAGUE and PONY LEAGUE take the developing young players into the full game of baseball, with no restrictions on base stealing, and tournament play complete through World Series level.

COLT and PALOMINO LEAGUES provide players an opportunity to compete against their peers in regulation baseball through the world series level.

GIRLS SOFTBALL leagues are also operated by PONY Baseball based on the every two year and-under age concept. Copies of the PONY GIRLS SOFTBALL rule book may be obtained from PONY Baseball.

ADMINISTRATION

Volunteer Field Directors gather input from local league organizations for the Board of Directors and staff, and relay information based on such input back to the leagues. The Field Directors also serve as administrative and service agents to the leagues.

Flexibility is a key word in PONY Baseball philosophy, which provides a pattern of league operation that may be adapted to the needs of the community, rather than asking the community to adapt to an arbitrary set of rules and regulations.

League Age is that age attained by a player prior to August 1 of the current year, and determines the player's legality for a particular league.

Four to ten teams comprise a local league. More than one league may be operated by the same local organization.

League boundaries are established by the league, but are subject to the approval of the Division Director.

Membership application forms are filled out annually by each league and forwarded to PONY Baseball. The forms are processed at the headquarters and copies distributed to the Field Directors. A Membership Certificate is issued by the Division Director following his approval of league operating conditions.

League supplies, including rule books, supply catalog and other items, are mailed to each league upon receipt of the Membership Application at PONY Baseball.

Tournament teams are selected from among all eligible players within a league of 10 or less teams. A league may enter more than one tournament team.

Equipment: Cap and T-shirts may be used in Shetland, Pinto and Mustang Leagues. Conventional baseball uniforms are required in all other leagues. Protective headgear for batters, baserunners, on deck batters, player coaches and catchers is required. Regulation size home plate, pitching plate and bases are recommended for all leagues. An official ball, bearing an emblem of PONY BASEBALL, is required in league and tournament play.

VICE PRESIDENTS

For purposes of administration and tournament elimination, PONY Baseball divides the contiguous United States into four zones, North, East, South and West. The volunteer force of Field Directors at the Division, Region, Section, District and Area are headed by a Vice President in each zone. There is also an Asia-Pacific Zone.

DISCIPLINARY ACTION

The following may be adopted by the league as a guide for the handling of player or adult discipline problems.

- A. The league officers shall have the authority to suspend, discharge or otherwise discipline any player, manager, coach, umpire, league officer or other person whose conduct is in violation of the Rules and Regulations of PONY Baseball and/or is considered detrimental to the best interests of the league.
 - (1) Persons subject to such discipline shall have the right to a hearing before the league officers before such discipline is imposed.
 - (2) In the event of such a hearing involving a player, or other person under the age of 18, that person's parents shall be invited to attend.
- B. Persons, youth or adult, who refuse to comply with the rules of Baseball, PONY Baseball, or the League, may be considered for disciplinary action.

- C. Recognizing the difficulty of establishing specific penalties for a variety of violations of acceptable conduct, the following penalties are suggested. League officers may impose the one which, in their opinion, appears to match the severity of the offense.
- (1) **Warning.** The offending person is to be advised, in writing, of the offense, and further advised that repetition of the offense shall result in a more severe penalty.
 - (2) **Suspension.** The offending person is to be advised in writing that he or she has been suspended from all league activity for a specific number of games, or days
 - (3) **Dismissal.** The offending person is to be advised in writing that he or she has been dismissed from the league for the remainder of the current year.
 - (4) **Barred.** The offending person is to be advised in writing that he or she has been barred from present and future participation in the league, permanently, or for a specific number of years.

PONY Baseball, Inc. Rules and Regulations

This book does not contain a complete set of rules governing play in Shetland, Pinto, Mustang, Bronco, Pony, Colt and Palomino League. Play is governed by Official Baseball Rules: "The Sporting News" edition. This book contains only those exceptions to Official Baseball Rules which are necessary in a youth program, as well as regulations governing league organization and administration.

RULES and REGULATIONS for SHETLAND, PINTO, MUSTANG, BRONCO, PONY, COLT, and PALOMINO LEAGUES

(Each rule is applicable to Shetland, Pinto, Mustang, Bronco, Pony, Colt, and Palomino Leagues unless specifically noted otherwise.)

1 - THE LEAGUE

- A. PONY Baseball does not limit participants in its leagues on the basis of disability. All leagues are required to comply with this policy and failure to do so shall be grounds for revocation of or refusal to renew a league's annual membership. Any questions on this rule shall be referred to PONY Baseball Headquarters.
- B. The league shall be the smallest unit of organization. More than one league in the same age bracket, or in different age brackets, may be operated by the same set of officers or sponsoring organizations with the approval of the Division Director.
- C. Leagues shall be composed of four, five, six, seven, eight, nine or ten teams.
- D. The league shall apply annually, prior to April 15, for a "Membership Certificate," using the "Membership Application Form" provided by PONY Baseball.
- E. The Membership Certificate shall be issued annually to each league, by the Division Director, subject to the following conditions:
 - (1) The Division Director shall have the authority to withdraw or refuse membership for just cause, and shall give written notice to the presiding officers of the league, as indicated by the current Membership Application form on file. The league has the right to appeal such action to the Vice President in that Zone.
 - (2) The Membership Certificate does not imply that in future seasons a new league cannot make application for operation within a portion of the present boundaries of the league, but only that no other league shall be permitted to operate within the boundaries established for the current season.
 - (3) The Membership Certificate expires at the conclusion of the actual play of the season for which it has been granted and is subject to renewal upon application and re-examination the following year.

2 - INSURANCE

- A. Accidents and injuries can occur while participating in baseball games. To protect our members, all leagues are required to determine that accident insurance coverage is provided for the players, managers,

coaches, official scorekeepers and volunteer umpires in their league with a policy provided by the league, similar to that available through PONY Baseball, or a policy provided by parents or other source.

- B.. It is strongly recommended that the league provide or determine that all volunteer workers have Accident Medical Expense Insurance coverage, since volunteers can be injured, too. Such coverage is available through PONY Baseball.
- C.. All affiliated leagues are required to purchase league liability insurance with minimum limits of one million dollars, on an occurrence policy basis, and naming Pony Baseball as additional insured. Such coverage is available through PONY Baseball.

3 - TEAMS

- A. **SHETLAND, PINTO, MUSTANG, BRONCO, PONY, COLT** Teams shall consist of not more than 15, nor less than 12 players and should not exceed more than eight players of the older age. The names of these players shall be registered with the league player agent.

Any player who has signed a professional baseball contract, or who has accepted remuneration for his services as a player shall not be legal.
- G. League officers are given the option of prohibiting players from participating on teams in other non-scholastic baseball programs. Local League policy in this matter shall be adopted in written form and made a part of the Local League Bylaws.
- H. Please refer to rule 1A concerning PONY's policy on disabilities.

5 - BOUNDARIES

- A. League boundaries shall be determined by the officers and executive committee of the league but are subject to annual approval by the Division Director.
- B. A map clearly indicating the current boundaries of the league shall be sent to the Division Director and shall be replaced upon request.
- (1) Unless specifically stated otherwise, the center of the street shall be considered the actual dividing line when streets are used as boundaries.
 - (2) Maps shall indicate specific boundaries such as streets, railroad tracks, rivers, or school districts, postal zones, city limits or similarly specified areas. A definition of boundaries such as "five-mile radius" is not acceptable.

- C. The Division Director, based upon the recommendations of the Field Directors concerned, reserves the right to adjust boundaries in the event of overlapping of territorial requests or because of inequitable conditions. Though boundaries are not specifically restricted by population or geographic area, both shall be considered when boundaries are submitted to the Division Director for approval.
- D. **SHETLAND, PINTO, MUSTANG, BRONCO, PONY, COLT, and PALOMINO** League boundaries need not be identical.
- E. **PALOMINO** Leagues shall identify to the Division Director the boundaries from which they intend to select their players, either on a school population basis, or on a geographical basis. The following shall be the rules for **PALOMINO LEAGUES** only.
- (1) Geographical Boundaries:

 - (c) In cities having population over 250,000 people, the Division Director and interested parties shall establish boundary lines within the corporate limits of such cities. These designated geographic areas, to be known as "quadrants," shall follow the 50,000 population formula (or school enrollment guidelines).

If coeducational schools are combined with all-male enrollment schools, the total enrollment shall not exceed 3,500, of which no more than 1,500 shall be from all-male schools. The schools in any combination shall be located within the corporate limits of a municipality and/or from adjacent towns, boroughs or villages.

 - (e) College students, or players not in high school, shall play with the team (using the school boundary guideline) drawing from the high school they previously attended or would have attended, based on residency.

6 - SELECTION OF PLAYERS

- A. Selection of players shall be in accord with provisions set forth in the Player Selection Plan adopted by the league. It is expected that each legal player residing within the approved league boundaries shall be given an opportunity to become a player candidate for the league.
- B. The selection of players for league teams shall be under the direction of a Player Agent who shall be selected by the league officers.
- C. **PALOMINO** League: The Division Director or his designated representative shall be responsible for determining player eligibility as to age, amateur status and residence, based upon documentation submitted by the team.

Any player serving as a catcher to warm up a pitcher shall wear a mask, whether the pitcher is warming up from the mound, in the bullpen or elsewhere.
- G. It is recommended that managers make every effort to encourage the wearing of athletic supporters by all male players.

- E. **SHETLAND & PINTO:** Batters are not permitted to bunt or swing easy at the ball. **PENALTY:** Batter shall be called back to the plate, the swing shall count as a foul-strike, the ball is dead and no runners may advance. It is suggested a 10-foot arc be inscribed in front of home plate, from the first to the third base foul line, and any batted ball which does not travel beyond that line be considered a foul-strike for purposes of this rule.
- F. **SHETLAND & PINTO:** A batter shall be declared out after failing to hit a fair ball after six swings at the ball on the tee, or after six pitches are delivered by a pitching machine or coach-pitcher.

The ball is dead and shall be returned to home plate, if the batting tee is used, or to the mound where the pitching machine or coach-pitcher is used.
- (1) Appeal plays can be made, following the play that is to be appealed, at any time before the pitcher makes a pitching motion, when the batting tee or coach-pitcher method is used, or before the ball is ejected from the pitching machine.
- (2) When an appeal is requested after the ball has been returned to the pitching machine, the coach-pitcher or the batting tee, the umpire shall retrieve the ball and give it to the player-pitcher at the pitcher's plate, and the player-pitcher may then proceed with the appeal.

- N. In any instance in which a team does not have an eligible substitute for a player who becomes ill, is injured, or ejected from the game by the umpire, the player last removed from the lineup by the manager or coach, who is otherwise eligible to play, shall be used as a substitute.
- (1) When a team's last available substitute enters the game as part of a multiple substitution, the manager shall advise the umpire and official scorekeeper which player is to be considered "the last player removed from the line-up."
- (2) In this instance only, the substitute player shall take the batting position of the player they replace, even though it may be a different batting position than the one he or she previously occupied.
- (3) This rule applies to all players, including starters.
- O. **PINTO:** When the ball is in the possession of an infielder and, in the umpire's judgement, all play on the runner or runners has ceased, the umpire shall call "Time". The ball is dead and shall be returned to home plate, if the batting tee is used, or to the mound when the pitching machine or coach-pitcher is used.
- (1) Appeal plays can be made, following the play that is to be appealed, at

any time before the pitcher makes a pitching motion, when the batting tee or coach-pitcher method is used, or before the ball is ejected from the pitching machine.

- (2) When an appeal is requested after the ball has been returned to the pitching machine, the coach-pitcher or the batting tee, the umpire shall retrieve the ball and give it to the player-pitcher at the pitcher's plate, and the player-pitcher may then proceed with the appeal.

RULE (1) SHALL GOVERN ALL MUSTANG LEAGUE TOURNAMENT PLAY.

(1) Runners may lead-off and steal bases, as in Official Baseball Rules.

(2) Runners at first and second bases may lead off and steal bases, as in Official Baseball Rules, but runners at third base shall remain in contact with the base from the time the pitcher steps on the rubber with possession of the ball until the pitched ball has been hit or has reached or passed the batter. Once the pitcher has stepped on the rubber, in possession of the ball, runners at third base who leave base before the pitched ball reaches or passes the batter shall be called out and the pitch shall be considered as a dead ball.

(3) Runners may steal bases, but shall not leave the base they are occupying at the time of the pitch until the pitched ball has reached or passed the catcher. Once the pitcher has stepped on the rubber with possession of the ball, runners who leave base before the pitched ball reaches or passes the catcher shall be called out and the pitch shall be considered as a dead ball.

- Q. **PALOMINO:** The designated hitter rule shall be as stated in the "Official Baseball Rules" *The Sporting News Edition*.

18 - PENALTIES

- A. Violations of Rule 1, or general failure of the league to comply with the concept of league organization as defined in these Rules and Regulations, and as expressed in the Blue Book of PONY Baseball, may result in refusal to accept the league membership application, or a revoking of the membership status of the league if the violation occurs after membership for the current season has been granted. - E. Penalty for use of an ineligible player, upon appeal by the opposing manager or notification by the official scorer or league officers, when the official scorebook or other league records verify the ineligibility of the player concerned, shall be immediate removal of the player from the lineup and ejection of the team manager from the game. Both the player and the manager shall be ineligible to participate in the next scheduled game played by the team. Please refer to rule 1A concerning PONY's policy on disabilities.
- (1) An ineligible player is one who is legally a member of the league, but who is ineligible to play or to pitch in a particular game or games because of the limitations set forth in these Rules and Regulations, or as the result of a previous rules violation or disciplinary action.
 - (2) For purposes of interpreting this rule, a player shall not be considered in violation of the rules until at least one pitch has been thrown to the batter after the point of violation.

Please refer to rule 1A concerning PONY's policy on disabilities.
- B. Players or adult volunteers who engage in unsportsmanlike conduct, such as fighting, abusive language or similarly derogatory activity, may be suspended for one or more games.
- C. **Teams, players or adult volunteers in violation of this General Conduct policy may be refused entry, OR MAY BE REMOVED FROM TOURNAMENT PLAY.**

OTHER PINTO OPTIONS

Leagues may permit teams to use a 10th player who, defensively, shall be considered a roving outfielder.

Rather than have three outs constitute an inning, some leagues permit nine players to bat in each half inning, regardless of the number of outs or runs that occur. When nine players have batted, the sides change. When playing with this rule, it may be wise to shorten the number of "innings" which constitute a game to three or four, and the rule which limits a team to five runs in an inning should be disregarded.

If preferred, the league may permit each player on the team to bat each inning. If one team has more players present than the other, permit the team that is short of players to continue batting until it has had as many batters in that half inning as the opponent. This variation may further affect the number of "innings" which constitute a game.

TOURNAMENT RULES AND REGULATIONS

These rules are for use in PONY sanctioned tournament play ONLY.

TOURNAMENT BASEBALLS SHALL BEAR OFFICIAL PONY STAMP

As stated in Rule 8-B, baseballs bearing the emblem of PONY Baseball, Inc., are required in tournament play.

SHETLAND: In some areas, some form of tournament play for this age group is desired, and PONY Directors may assist in making arrangements. It is recommended that where tournament play is conducted, it be played with teams with local league rosters, rather than selecting "all star" teams.

- A. In any such tournament, it is suggested that teams not be permitted to score more than five runs in an inning, except for the final inning. In any inning, except the final inning the teams shall change sides after five runs have been scored by the team at bat, or three "outs" have been made.
- B. Player pitching is not permitted in Shetland League, in season or tournament play.

In some situations, family vacations and such make it difficult to hold a regular season team together, and selection of players from other teams becomes a necessity.

PINTO: Tournament play may be conducted with other teams in the immediate area and it is strongly recommended that "all star" teams not be selected.

RULES AND REGULATIONS for TOURNAMENT PLAY

- C. Two copies of the eligibility affidavit shall be presented to the tournament director at the team's first tournament game.

Any changes or corrections of the eligibility affidavit shall be made in the presence of the tournament director at the current level of play, who shall initial and date approval of the changes or additions on the affidavit.
- B. Any replacement of a player on a tournament team for reasons of illness of, or injury to, the player only, shall be supported by written certification from an attending physician as to the conditions necessitating the replacement.

- D. **BRONCO, PONY, COLT:** In tournaments involving five or more teams, a pitcher is allowed to pitch in not more than 16 innings (12 in **MUSTANG**) in his team's first three games. After a team has played three games, all pitchers on these teams then have 16 (12 in **MUSTANG**) innings of pitching eligibility remaining for that level of tournament play, provided they meet the 40 hour rest requirement. A level of play (area, district, section, region, zone) is a tournament or series of playoffs to reduce the teams assigned to that level to a winner who shall advance to the next level of play.
- E. All pitchers become eligible at each level of tournament play, provided the following 40 hour rest requirement is met, even if it falls within the same calendar week.
MUSTANG, BRONCO, PONY and COLT pitchers shall have 40 hours rest after pitching in four (five for **PALOMINO**) or more innings on the same calendar day.
- F. Names of all pitchers actually appearing in the game, along with the number of innings in which they pitched, shall be recorded on the "Tournament pitching record" form on the reverse side of the first sheet of the eligibility affidavit form. This record shall be signed by the manager, coach or business manager of the opposing team, the official scorekeeper of the game, or the tournament director or his representative.

Tournament play is exciting. Disputes will arise. Tempers may flare. The example set by managers and coaches will be reflected by the players and coaches.
